#### **EDUCATION**

Purdue University Bachelor of Arts Film and Visual Studies 2011

Design Bootcamp School of Motion 2016

#### **EXPERIENCE**

# Actualize | September, 2020 - Present Full Stack Software Developer

- Capstone Project (INDYCare365): personally, built a web app that helps users find human and health services in Indiana. Also, users can add the organization or make a request for their needs. I will be using Ruby on Rails, Vue.js, Html, CSS, JavaScript, PostgreSQL, GitHub, Excel, and Bootstrap.
- Bootcamp: Learned fundamentals and best practices in full-stack web development in areas of project architecture, backend, frontend, and how to effectively self-teach new technologies Generated technical requirements and determined the most effective solutions, created wireframes, designed schema, and researched outside resources
- Built and tested the backend, incorporating external APIs
- Created pages and RESTful routes, made web requests to retrieve data, formatted and styled results, incorporated libraries, and themes

## Project Lead the Way | August, 2013 - Present Multimedia Developer

- Collaborate with the Instructional Media Team to develop effective workflows and enhance team member media development knowledge and skills.
- Execute multiple complex projects from producing education videos, to building frontend interactive pieces, concurrently, creating project plans and delivering results.
- Develop and create visual ideas to support instructional content, with adobe premiere pro, aftereffects, adobe photoshop, adobe captivate, Dreamweaver, bootstrap studio methods, and delivery.
- Directed instructional education videos for teachers and students while recording on and off-site video productions for Verizon Innovate Learning.
- Maintain and operate lights, cameras, audio equipment and all other video/ photography equipment.

# WXIN TV | September, 2011 – August, 2013 Video Editor

- Edited news footage for the 4pm, 5pm, 6pm, and 10pm newscasts.
- Prioritized video schedule to ensure every story was newscast on time.
- Developed file management system ways to do news editing software.
- Archived 10 hours of media and post video to File Transfer Protocol sites.
