FULL STACK SOFTWARE DEVELOPER

As a full-stack web developer, multimedia developer, and video editor, I use my technical, creative, and organizational skills in many creative mediums. My diverse background has harnessed my skills and working on solo and team projects have helped me develop and build a good rapport with my colleagues.

SKILLS

Technical: Ruby, Rails, Vue.js, React, Express.js, Python, JavaScript, HTML, CSS, PostgreSQL, Git, GitHub, APIs, Pair-Programming, Testing, Object- Oriented Programming, AWS, Bootstrap Studio, Visual Studio Code **Creative:** Bootstrap Studio, Adobe: Premiere Pro, After Effects, Photoshop, Captivate, Dreamweaver

EDUCATION

Actualize | Certificate in Full Stack Web Development   September 2020 - January 2021
School of Motion | Certificate in Design   October 2016
Purdue University | Bachelor of Arts in Film and Visual Studies   August 2006 - May 2011

EXPERIENCE

Actualize | Full Stack Web Development Student   September 2020 - January 2021
- **Bootcamp:** Learned fundamentals and best practices in full-stack web development in areas of project architecture, backend, frontend, and how to effectively self-teach new technologies. Generated technical requirements and determined the most effective solutions, created wireframes, designed schema, and researched outside resources.
    - Built and tested the backend, incorporating external APIs.
    - Created pages and RESTful routes, made web requests to retrieve data, formatted and styled results, incorporated libraries, and themes.

Project Lead the Way | Multimedia Developer   August 2013 - Present
- Collaborate with the Instructional Media Team to develop effective workflows and enhance team member media development knowledge and skills.
- Execute multiple complex projects from producing education videos, to building frontend interactive pieces, concurrently, creating project plans and delivering results.
- Develop and create visual ideas to support instructional content, with Adobe Premiere Pro, Adobe After Effects, Adobe Photoshop, Adobe Captivate, Adobe Dreamweaver, Bootstrap Studio methods, and delivery.
- Directed instructional education videos for teachers and students while recording on and off-site video productions for Verizon Innovate Learning.
- Maintain and operate lights, cameras, audio equipment and all other video/ photography equipment.

WXIN TV | Video Editor   September 2011 – August 2013
- Edited news footage for the 4pm, 5pm, 6pm, and 10pm newscasts.
- Prioritized video schedule to ensure every story was newscast on time.
- Developed file management system ways to do news editing software.
- Archived 10 hours of media and post video to File Transfer Protocol sites.
